Περιγραφή:

Urban plots with project for 3 homes near the sea Torrox Costa

Interesting opportunity for developers and investors in Cortijo Amaya, a quiet residential area of Torrox Costa, just 1,200 metres from the beach and all services.

The property consists of three urban plots ranging from 245 m² to 279 m², which can be purchased individually or together and include a basic project for the development of three modern semi-detached and terraced homes.

Each home offers an approximate built area of between 196 m² and 210 m² and a contemporary design characterised by open spaces, double-height living rooms and rooftop terraces with a private pool and sea views.

Thanks to the upward slope of the land, the main floor of the homes is located approximately three metres above street level, providing greater privacy and better views. The garages for two vehicles are located at street level.

The project also includes a garage for two vehicles and a rooftop terrace with a private pool and sea views.

Plot prices:

- Left plot: 120,000
- Middle plot: 100,000
- Right plot: 110,000

There is also the possibility of acquiring all three plots together, allowing the development of a small residential project in one of the most promising areas of the eastern Costa del Sol.
