Περιγραφή:

Fully operational industrial warehouse for sale, located in the Santa Pola Industrial Estate, a consolidated and highly active area. Perfect opportunity for investors, as it offers excellent profitability from day one.

The corner, on the corner, stands out for its maximum height of 7.30 meters and has two large access doors for vehicles, 4 x 4.5 meters, facilitating daily operations. It has a sandwich type cover, which guarantees good thermal insulation.

The warehouse offers a total area of 600 m^2 , complemented by a 100 m^2 mezzanine that is accessed by stairs. It also has two toilets and excellent visibility thanks to its corner location.

A safe investment with immediate return in one of the most active industrial areas in the province.
