The property offers incredible views from every window, requires no work and is ready for living. Excellent interior and exterior finishes. Major renovations were carried out in 2015.

The property is accompanied by a large terrace, 2 small stone barns currently used as a storage room/cellars, a large pergola with iron/wooden table and benches and a beautiful flat garden of approximately 1600sqm with fruit trees.

The land offers the possibility of creating a private car park and a large swimming pool. Currently the town retains the characteristics of a medieval castle and in the center of the town it is possible to visit a small museum with relics dating back to the Second War.
