Set in the rolling countryside of Conceição de Tavira, just over 10 km from Tavira centre and 30 minutes from Faro Airport. This property is a private and beautifully maintained estate offering spectacular 180-degree views over the coastline and ocean. With nearly 2 hectares of landscaped land, this 4-bedroom, 4½-bathroom villa delivers contemporary design, a sense of space, and absolute privacy in one of the Algarves most scenic and peaceful locations. Built in 2005 and meticulously updated, the home combines elegance and energy efficiency, making it a rare find in the East Algarve.

The 362 m² villa spans two levels, featuring spacious and sunlit interiors. The ground floor includes an impressive double-height entrance, a living room with floor-to-ceiling windows, a TV room, a formal dining area, and a fully equipped kitchen. One en-suite guest bedroom is conveniently located on this level, along with a utility and laundry room. Upstairs, you'll find three further en-suite bedrooms, each opening onto a shared terrace with breathtaking sea and countryside views.

Outdoor living is a true highlight, with a large heated swimming pool, electric pool cover, solar shower, and an alfresco dining terrace complete with electric sun awnings. A beautifully landscaped

Mediterranean garden, Bowles court, and multiple terraces invite relaxation and entertaining. Two automated single garages, one with direct access to the interior, offer flexible use, including potential for a self-contained guest suite or home office.

Whether you're looking for a primary residence, a second home, or a high-end investment, this property offers outstanding comfort, privacy, and views in a prime East Algarve setting. Viewings are highly recommended.

Features and fittings mentioned are subject to agreement and verification between the vendor and the buyer.
