Περιγραφή:	

Built in 2022, this solidly constructed property (reinforced concrete, no wood) offers maximum comfort and extensive usage options on 528 m² of living space. It is being sold furnished, including tools and koi carp in the indoor pond (excluding pets and personal belongings).

A kitchen renovation and plastering work are planned – if purchased before completion, the owners will grant a discount of up to USD 30,000.

The property is registered in the Costa Rican land registry. Construction and site plans from 2013 are available.
