Περιγραφή:	

This property sits within the tranquil village of Canada de Pareja just a short 10 minute drive to historical Antequera and only 50 minute drive to Malaga airport. The property is surrounded by spectacular countryside views and benefits from a spacious garage and some wonderful outside space. Inside the property has so many possibilities as it is currently set out as two apartments with defined separate entrances and outside space. The ground floor has a large tiled garage which opens to a spacious lounge diner, ground floor bedroom with full family bathroom. This continues to a good size eat in kitchen and out to an interior patio, storage room, utility room/bathroom and opening out on to a private walled garden. On the first floor there is a lounge and separate dining room both set to the front of the house with French doors on to a balcony. A central hallway continues to 4 good size bedrooms, a full family bathroom and fitted kitchen with plenty of storage space and views over the garden and countryside beyond. The kitchen has a doorway that leads to a private roof terrace which gives 360 degrees view across the village and surrounding countryside.
