OPATIJA, IKA - House floor with 2 apartments, private swimming pool and garden

We offer a house floor, 100m2, consisting of two fully equipped apartments located on the ground floor of the house, with its own garden and swimming pool. Each apartment has one bedroom, living room with kitchen and bathroom. In front of the apartment is a landscaped garden with a beautiful view of the sea, while on the side of the house, hidden from view, there is a swimming pool ideal for relaxing in privacy. The property has three parking spaces. The entire house is completely enclosed by a wrought iron fence with a remote-controlled gate, which provides additional security and privacy. The house is surrounded by greenery and exclusive villas, which further emphasizes the peaceful and pleasant environment. It is located in an attractive location, just 800 meters from the sea and the beach, near the Faculty of Tourism and Hospitality Management, which makes this property an excellent choice for both a peaceful family life and for tourist rental. The town of Ika, located at the foot of Učka, is known for its authentic coastal atmosphere, charming fishing and tourist architecture, and the famous promenade of the promenade that connects the entire Opatija Riviera. With numerous opportunities for recreation, sports and relaxation, Ika is the perfect destination for those who want to combine peace, nature and the sea.
