Περιγραφή:

Karlovac, Švarča building land in a great location. The land is suitable for the construction of several residential units. There is a possibility of parceling the land depending on the buyer's needs. There are also two old buildings on the land for which utility contributions have been paid. All connections are on the plot. Švarča is a residential area where intensive investments are being made in modern infrastructure, urban amenities and quality of life. I am available for any additional questions....
