Περιγραφή:

This private closed garage is located in the centre of Lagos just a short walk from the historic old town, the Marina, and all local amenities.

With a total area of 30.38 m², this secure garage is situated on the basement level and offers easy access through the main entrance ramp. Its generous size allows for convenient parking of a vehicle with additional space for storage.

The garage forms part of a well-maintained condominium with controlled access, ensuring both safety and practicality in one of the busiest areas of Lagos.

This is an excellent opportunity for anyone living in or owning a holiday home in Lagos who requires safe parking and storage, or for investors looking for a practical asset in a high-demand area where private garages are rare.
