Περιγραφή:

Located in the peaceful Canal area of Santa Bárbara de Nexe, this charming and authentic ruin presents a rare opportunity to create a bespoke home in one of the Algarves most desirable settings. Set on a generous south-facing plot, the property enjoys open sea views and tranquil surroundings, offering the perfect balance between countryside serenity and proximity to nearby amenities.

The submitted and approved architectural project allows for the renovation and extension of the existing structure, with a build area of up to 300 m², including plans for a private swimming pool. Once the accompanying engineering plans are submitted, construction can begin immediately allowing you to bring your vision to life without delays.

This plot benefits from mains water, electricity, and drainage, and easy road access. Its position just 2 km from the nearest town ensures privacy while remaining conveniently close to local shops, cafés, and essential services. The lands urban classification also provides potential for further development or future value growth.

Whether you're dreaming of a tranquil holiday retreat or a permanent family home, this property offers a unique canvas where traditional character meets modern comfort. With the groundwork already prepared,

you can begin building your dream home in one of the Algarves most sought-after areas.
