There are currently 3 apartments: The ground floor studio (750 CHF) is rented out, the upper floor apartment is vacant and the lower floor is rented out as a vacation apartment on airbnb. Both apartments can be rented permanently for CHF 1,550 on the ground floor and CHF 1,600 furnished on the first floor, and demand is very high. The interesting thing is the very central location with an unobstructed view of the countryside. All services are within walking distance.
