We present this wonderful New Construction project in Sotogrande, a prestigious residential area, internationally known for its exclusivity, privacy and international sailing, polo and golf competitions, which year after year meet in this emblematic natural environment marked by the meeting of the sea and the forest.

Surrounded by golf courses, this area with a family atmosphere is ideal to enjoy long vacation periods or as a habitual residence.

Next to the urbanization, you will find the prestigious Sotogrande International School, which offers your children a privileged education within the reach of few, in an incomparable environment.
