Set in a quiet enclave just five minutes from the beach, Alvôr The Breeze offers a collection of 24 modern apartments designed for easy, comfortable living in the Algarve. The development is arranged across two buildings with landscaped gardens, swimming pools, and a secure gated entrance.

Each apartment blends modern architecture with natural surroundings. The two and three-bedroom layouts are spacious and light-filled, while penthouses enjoy private outdoor terraces and pools. All homes have access to underground parking with vehicle charging stations and shared amenities including a gym, yoga room, and Club House.

Designed by Costa Lima Arquitectos, Alvôr The Breeze combines elegant design with sustainability, featuring solar panels and energy-efficient systems. Located just minutes from Portimão, golf courses, and the A22, this is an excellent opportunity for those seeking a modern home or investment in one of the Algarves most desirable coastal towns.
