FULL DETAILS

This villa for sale is all about location, plot size and great potential. Situated on a large plot (1347m²), it is only a short walk to local amenities and the beach – a fantastic opportunity for those looking for a holiday or permanent home with space to personalise.

Accessed via both automated and manual gates, a spacious gravel driveway is bordered by mature palm and fruit trees, providing parking for 3–4 cars. The villa is distributed over two levels, with the main accommodation on the ground floor, accessible from both sides of the property. The primary entrance is to the left of the driveway, up a short staircase that leads to the rear garden, pool terrace, and a wooden decked side terrace. Here, a charming enclosed wooden-beamed Naya serves as a bright dining space. The front door opens directly into the main living room, which features a fireplace for cosy winter evenings, alongside radiators and hot and cold air-conditioning for year-round comfort.

A wooden archway connects the lounge to the kitchen, fitted with a sit-up bar, gas hob and oven, integrated dishwasher, fridge-freezer, and ample storage in wall and base units. Off the kitchen is a gallery area, ideal for use as a pantry or additional storage. A dedicated gas water heater ensures continuous hot water.

Down the hallway are two bedrooms, both with fitted wardrobes and radiators. One is currently arranged with bunk beds and a single bed, while the main bedroom also benefits from a ceiling fan. The white tiled family bathroom includes a corner shower, freestanding basin, and heated towel rail.

The lower-level apartment has its own private entrance – perfect for visiting family or guests. It opens into a large open plan living and dining area, with a fitted kitchen to the left, a storage cupboard, and a separate room currently used as a fourth bedroom, complete with hot and cold air-conditioning. To the right is a spacious double bedroom and a bathroom with a walk-in shower. Gas central heating runs throughout, and all windows are fitted with blinds and rejas.

Outside, the villa boasts a range of terraces and seating areas, including a feature wooden deck – ideal for al-fresco dining and entertaining – and two grassed lawns. The private 10 x 5.5m heated rectangular pool is not overlooked and is surrounded by plenty of sunbathing space, a pool shower, and a large pump room with additional storage. Another storage area houses the water and heating systems.

On the west side of the plot, you will find raised garden beds with fruit trees and mature Mediterranean plants, along with a small outbuilding currently used as a utility room, complete with washing machine, sink, and further storage. A built-in BBQ and additional seating area add to the outdoor living appeal. Further up the plot, there is more garden space and even a built-in giant chessboard, offering scope for playful landscaping and creating your own garden oasis.

This well-located villa, on a substantial plot, offers lots of potential for reform and modernisation. With everything within walking distance, it is a fantastic opportunity to create a home tailored to your style in one of Moraira's most convenient areas.
