Περιγραφή:

Attention investors! A package of urban plots with a pending consolidation unit is for sale. The compensation project has been definitively approved and the urbanisation project has been initially approved, pending minor adjustments for final approval. The urbanisation has been partially completed and is awaiting completion. It can be divided into more than 50 single-family plots of at least 500 m2 each. The sale price per square metre is €63. The number of m2 for sale represents 53% of the total development unit. Excellent investment, whether you want to sell individual plots or prefer to build and develop homes in one of the most important areas in the south of Tenerife.
