### Περιγραφή:

For Sale – Investment Plot of 6.3 acres in Ermones, Corfu

In western Corfu & specifically in the area of Ermones, there is for sale a plot of 6.3 stremmas, flat and slightly elevated from the road, with easy access and unlimited development possibilities.

Of the total area, 4.5 stremmas are non-forest and buildable, with a building capacity of 195 sq.m.. An objection has been filed for the remaining 1.8 stremmas, which have been temporarily classified as forest, on the plot there is a privately owned well, valuable for water supply or agricultural use.

It is located in a tourist area with increased traffic during the summer months (May - September) and is an ideal choice for investment or construction of a holiday home, even a Procat type (prefabricated house).

### Distances from points of interest:
