Περιγραφή:

Here we have a ground floor apartment in perfect move in ready condition , located in the new part of Olvera , very close to everything, including schools , large supermarket, municipal pool and health Center

Set on a nice street with easy access and parking this home has everything all on one level , is beautifully tiled and decorated throughout .

There a touch of the traditional on entering with the double doored vestibule and hallway with feature arches .

To the right there is the fist of 3 bedrooms a double with built in wardrobe and a large window.

next to this is the second bedroom which again has built in wardrobe and window so it too is well lit, this room is a generous single bedroom.

On the left side of the hall is a large salon lounge with a stone fronted feature fire place which functions perfectly to make it cosy on winter nights .

Next also on the right side is a large and well fitted out kitchen, with space for the large dining table, a window here overlooking the patio brings in natural light.

The master suite is located on the left, it's the largest of the bedrooms and has a well appointment fully tiled bathroom with, generous shower, large vanity, a loo and bidet, also with an extra door to access the patio.

at the end of the hallway is the back door leading out to a perfectly tiled patio, part of which has a striped shading awning, to the rear of ghe patio is a tidy laundry room and a store room.

a short flight of steps leads up to a terrace which has a glimpse of the old village and view over the street and roof tops .

A very comfortable and easy home to live in with no steps or stairs internally and finished to a great standard.
