Every apartment have their own parking space and private storage on the basement, included on the price. Residential located in a frontline of the prestigious golf course "La Serena Golf". This golf course is well renowned for its lakes and vegetation that interweave with the golf course. The water and lakes are present in 16 of the 18 holes, but all the course is designed to offer the golfer different strategies in each hole. Another aspect that makes this golf course unique is that it's connected by walking to the city centre, something impossible to find in other golf locations that allow us to enjoy the calm and the beauty of the area without refusing the access to the services that Los Alcázares offers.
