Περιγραφή:

It sells beautiful semi-detached house in the town of Ollabarre built in 2013 with high quality materials with a lot of energy efficiency, very good thermal insulation with which very little energy is consumed, it also has solar panels for hot water so the house is very efficient ecologically.

It is distributed over two floors, the ground floor has an open kitchen, living room with wood burning fireplace, bathroom with shower. On the upper floor there are three bedrooms, the main one being 17m2 with dressing room and bathroom with jacuzzi, the other two bedrooms with beautiful views. Individual gas heating.

Outside we find a beautiful txoko of 15m2 along with a guest house. It is an ideal space for visitors and totally independent with kitchen, bathroom, living room and a large bedroom, it can also be profitable. -
