We present this cosy apartment to be renovated in the town of Barakaldo, a modern and highly demanded city in the metropolitan area of Bilbao. It is ideal for those who want to personalize every corner of their home, adapting it to their needs and lifestyle.

The house, although small in size, offers a functional and bright layout. It has a living-dining room with good natural light and access to a balcony, which provides visual spaciousness and ventilation. The kitchen, currently independent, offers the possibility of integrating into the living room, generating an open and practical space. The bedrooms, well used, are perfectly suited to both family and professional use. The bathroom also offers renovation options for a contemporary and comfortable design.

The building has a solid structure and a favorable orientation, which add value to any renovation project.

Barakaldo stands out for its dynamism and quality of life, with all the services at hand: educational centres, health centres, shops, green areas and leisure spaces. In addition, its excellent connection to Bilbao just 10 minutes away by metro, train and bus, makes it a very convenient location to live or invest.
