Περιγραφή:	

In the heart of the fortified town of Monpazier, come discover this property that offers a unique opportunity to create an outdoor living space.

The 122m² property, formerly an agricultural outbuilding, is divided into two parts: a first part with a 50m² footprint that could double in size with the addition of an upper floor (with an extension), and a second part, a barn-style part of approximately 70m², which could be transformed into a garden/courtyard/patio by removing the roof, which is in poor condition.

Valid planning permission, excellent exposure.
