### Περιγραφή:

Compact, comfortable and warm wooden frame house.

The house was built two years ago.

It is located in a very good location, in the Jelgava territory next to Ozolnieki. It will be suitable for nature lovers, those who like peace and quiet.

A heat pump has been installed, which will cool in the summer and heat in the winter. In the coldest winter months, the total electricity bill was 150€.

Own sewage system, two water taps, electricity.

The house is sold with all household appliances, including kitchen appliances, a well-equipped bathroom, a bedroom, and some furniture.

Well-maintained land, very fertile soil. The property has a large oak tree, a quality-built barn with electricity.

On the south side of the building, large windows with a panoramic view of the fabulous landscape are located, where you can watch common forest animals and listen to the sounds of birds every day.

Nearby is the Lielupe, Iecava River with good picnic areas. Nearby is a public transport stop.

Currently, the house is being put into operation. The property is unencumbered.

The location of the object is not indicated precisely on the map.
