Discover this beautiful new-build residential complex located in the exclusive Santa Rosalía Lake & Life Resort, once again nominated this year as Spain's Best New Residential Resort. A unique setting where luxury, comfort and nature come together in perfect harmony.

The complex offers 2- and 3-bedroom apartments with generous terraces, designed to make the most of the Mediterranean lifestyle. The apartments feature spacious and bright living areas and come with modern, fully fitted kitchens and bathrooms, finished to a high standard.

Set within a secure, gated community consisting of four elegant buildings, residents can enjoy beautifully landscaped gardens and two communal swimming pools, one of which is heated, allowing for year-round enjoyment. A welcoming BBQ area provides the perfect space for social gatherings with family and friends.

All apartments include a private underground parking space and a storage room. For added convenience, the complex also offers a communal bicycle storage area with a washing station.

The higher-floor apartments boast stunning and unique views over the impressive lagoon, the true centerpiece of Santa Rosalía.

An excellent choice as a permanent residence, holiday home or investment, in one of Spain's most sought-after resorts.
