Περιγραφή:

Are you looking for a garage close to the city but at the same time on the outskirts?

We have what you are looking for.

A garage with great access and storage.

It is a spacious garage, close to the accesses to the motorway.

In this garage, in addition to being able to store your car from the harsh temperatures that are felt in the city, you can also store other smaller vehicles, such as motorcycles, bicycles...

Don't miss this opportunity and come and see what we have in store for you!

Without any added commitment contact us!!
