Περιγραφή:

These six building plots, situated in one of the most coveted areas of Salema, offer sweeping views of the sea and are just a few minutes' walk from the magnificent Salema beach. In just 5 minutes by car you reach the nearest golf course a rare privilege.

The location is simply strategic: close to the center, close to amenities, close to everything that matters. A perfect balance between tranquility and convenience.

Based on the project submitted to the Municipality of Vila do Bispo, with PIP already approved for each lot (on March 5), the construction areas are:

Plot 43: 272.50 m²

Plot 45: 287.50 m²

Plot 46: 418.87 m²

Plot 47: 315.45 m²

Plot 48: 438.56 m²

Plot 49: 232.08 m²

There is also the possibility of purchasing sets of four lots a rare advantage for those who think big. This is a solid and distinctive opportunity in one of the few locations in the region where it is still possible to build with ocean views. An invitation to design and build your dream home, the traditional way: with time, vision and a piece of land that is really worth gold. An investment opportunity that doesn't come up twice.

If you want, I can also create a shorter, more commercial or more poetic version you just have to say. -
