Περιγραφή:

Beautiful, newly renovated apartment for sale in one of the most prestigious areas of District V, on Harmincad Street.

We are pleased to offer for sale an exclusive apartment overlooking Vörösmarty Square, located in the historic downtown of Budapest.

Thanks to its exceptional location, Váci Street, Szervita Square, Fashion Street, the Kempinski Hotel, and the Budapest Eye Ferris wheel are all just a few steps away, providing immediate access to the city's finest restaurants, boutiques, and cultural attractions.

This refined apartment offers a truly special atmosphere while fully meeting modern expectations. Spacious, bright interiors and abundant natural light streaming through large windows create an elegant yet welcoming ambiance.

The layout of the property is thoughtfully designed and highly functional, with every space serving comfort and harmony. The duplex (split-level) concept allows for the creation of not only three bedrooms and three bathrooms, but also an additional attic-level "cinema room."

Only high-quality materials and bespoke solutions were used throughout the renovation, including:

Handcrafted, inlaid wooden parquet flooring

Beautiful, unique, and decorative stucco details

Custom-made wooden doors and windows

A harmonious blend of classical elements and modern details

A comprehensive, meticulously executed renovation

This apartment is an ideal choice for those seeking a truly exceptional, elegant, and timeless home in the very heart of Budapest.

The apartment may also be purchased fully furnished with the furniture shown in the photos, subject to separate agreement.
