Περιγραφή:

Beautiful country house in Parcent, surrounded by pine forests, fruit trees, and natural trails, ideal for those seeking tranquility and connection with nature, just 5 minutes from the village center.

The home has been completely renovated and features two spacious and bright bedrooms, and two full bathrooms that have also been updated. The open living rooms connect to the outside through large windows, creating airy spaces that invite relaxation. The woodburning fireplace adds warmth in winter and the integrated and equipped kitchen offers plenty of storage space.

For comfort in summer, it has split air conditioning in two rooms. The fully fenced plot ensures privacy and security. Additionally, there is a 16 m² container on the property, ideal for additional storage or to set up a workshop or workspace.

Located near trails and mountain routes, this property combines rural living, comfort, and outdoor leisure opportunities, making it a unique opportunity to live in nature without sacrificing the amenities of the village.
