Περιγραφή:

Surrounded by a picturesque landscape and regional trees which includes 18 fig trees, 18 almond trees, 4 olive trees and 3 carob trees, among others, this rustic land offers an authentic connection with nature.

Thanks to its fertile soil and generous dimensions, the property opens the door to multiple agricultural possibilities, making it ideal for developing a sustainable and productive project in harmony with the environment.

Although construction is not permitted, this land is perfect for those for people committed to sustainable living and wish to invest consciously, whether for cultivation or simply to enjoy the serenity of the rural setting. - REF: 1009-2395
