The villa is part of a small development of 4 units, all with private use plots and pools.

Outdoor features include a private garden, swimming pool, pergola covered area, and parking space. The building permit has been issued, construction is underway, and completion is expected within 6 months.

Just five minutes from the beach and a short drive to Tymbaki's shops and amenities, the property

The villa will be delivered ready for occupancy and includes fan coil heating and cooling via a Midea or Gree heat pump, a Scavolini kitchen, custom-made wardrobes and doors, solar water heating, and a 1,000-liter water tank. Europa aluminium windows and doors, advanced Knauf insulation, and soundproofed interior walls ensure comfort and energy efficiency.
