Περιγραφή:	

In a stately villa from the early 20th century, nestled in the lush vegetation that envelops Torri del Benaco, stands this exclusive apartment with terrace of about 80 m², an authentic oasis of charm with an enchanting view of Lake Garda-so close as to seem its own elegant lakeside annex.

The natural light of the interiors, the warm tones of the exposed beams and the finishes that preserve the historic soul of the dwelling are important features in this property.

Living spaces include a kitchen-living room with a lake-view balcony, two bedrooms and two bathrooms.

At the back of the property opens a private, lake-view terrace that directly accesses the large multi-level condominium garden, an ideal place to enjoy quiet moments or pleasant evenings outdoors. On the upper level is the panoramic swimming pool, perfectly exposed to the sun and with an extraordinary view of the lake.

Two parking spaces, an elevator and a large condominium park of more than 6,000 m², divided into several natural areas: an olive grove, wooded spaces and large lawn areas, which give the complex an authentic charm and a deep connection with the Garda landscape.

A romantic and refined residence, designed for those who wish to experience the lake in an exclusive way, immersed in the silence and authentic beauty of Torri del Benaco.
