Premium Investment Opportunity: Exclusive Project in Oliveira de Azeméis

We present a strategic real estate asset located in Barral, Oliveira de Azeméis. With a generous area of 7,256 m², this plot is more than just land — it is the foundation for a landmark luxury condominium in the region.

Project Highlights (Feasibility Study)

This land benefits from a feasibility study designed for the luxury segment, maximizing profitability and quality of life:

9 Luxury Villas: Designed to offer privacy, modern architecture, and exclusivity.

6 Green Areas: A private green lung within the development, ensuring high quality of life and immediate property appreciation.

Superior Logistics: 12 dedicated parking spaces and 9 individually accessed entrance gates, one for each plot.

Why invest here?

Strategic Location: Barral area — a peaceful setting with excellent access to the main urban and industrial

hubs of Oliveira de Azeméis.

Rare Scale: Few plots over 7,000 m² are available and ready for this type of integrated urban development.

Growing Demand: A clear gap in the local market for turnkey luxury housing, with a strong focus on sustainability and green spaces.
