### Περιγραφή:

The city center, the marina, the halls, the schools. You will be charmed by this pretty townhouse, very well maintained and located in a quiet little street. It consists, on the ground floor, of an entrance, a beautiful living room with open and equipped kitchen opening onto a south-facing courtyard, an office (or small bedroom), a separate toilet and access to the garage, as well as in the very large basement with a cellar, a boiler room (gas boiler with hot water production). On the first floor, a dressing room, three large bedrooms with dressing rooms, a very beautiful bathroom and shower, and a separate toilet. On the top floor, a magnificent 60 m<sup>2</sup> floor space to be fitted out according to your needs; possibility of several rooms and of fitting out a piece of water (existing arrival and evacuation). The very high ceilings give it a lot of volume and give it a lot of charm. An electrified garage door, exterior insulation (recent), bay windows open to the south, all this for everyday comfort.

Κατασκευάστηκε:	1954
