Tucked away at the end of a private alley, this top-floor apartment in a small condominium offers a peaceful and luminous living environment.

With 60 m² of total floor space (23.5 m² Carrez law), it strikes the perfect balance between a studio and a one-bedroom apartment, maximizing space with clever storage solutions. Its South-Southeast exposure bathes the interiors in natural light throughout the day, enhancing the sense of well-being.

Numerous shops and amenities are nearby, making daily life easier. The apartment has been meticulously maintained and is move-in ready, requiring no renovations.

A dedicated outdoor parking space and a private cellar complete the property. The small-scale condominium ensures low and controlled service charges, guaranteeing optimized expense management.

A charming and inviting home, perfect for those seeking the character and privacy of a top-floor apartment, abundant natural light, and a serene setting, while staying close to all conveniences.
