### Περιγραφή:

An excellent investment opportunity is presented in Vila do Bispo, in the heart of the Algarve, with this 7,640 m<sup>2</sup> plot of land that has a subdivision project approved by the City Council.

The subdivision consists of 17 residential lots, with varied areas as indicated in the summary table. Each plot allows the construction of 3 bedroom single-family houses (3 bedrooms), with construction areas between 170 m<sup>2</sup> and 200 m<sup>2</sup>, spread over a maximum of two floors.

The basements are not counted for the purposes of construction area or number of floors, in full

---

compliance with the RMUE of Vila do Bispo and Regulatory Decree No. 5 2019, of 27 September, offering greater flexibility for development.

This project represents a solid proposal for developers and investors looking for a housing development in an area of high demand, close to the beaches of the Costa Vicentina and surrounded by preserved nature and Algarve authenticity. - REF: CKA108
