Περιγραφή:

A charming 2-room apartment, 54 sq m living space. Located on a quiet street in the 18th arrondissement, near the Lamarck-Caulaincourt metro station, this 54 sq m, 2-room apartment is on the 3rd floor with elevator in a recently renovated, peaceful, and well-maintained 1962 building. It features central heating and comprises an entrance hall, a bright living room opening onto a balcony, a semi-open kitchen, a bedroom, a bathroom, and a separate toilet.

Given its location and price, a viewing is highly recommended.

Two cellars are included.

A parking space is available for an additional fee.

Apologies for the triangle overlay on the images, this particular agent is in a very competitive sector and wishes to protect their images from being copied. If you want to see clean images of this listing simply Make an Enquiry and we will respond.

The city of Paris is divided in 20 arrondissements. The first one is in the centre, the following ones spiral outwards in a clock-wise direction. Most of the famous tourist attractions can be found in one of the central 8 arrondissements.

The arrondissements are encircled by the peripherique, a ring highway. Outside the peripherique are the banlieues, the suburbs of Paris.
