Vistalago is the newest residential project, located in the charming town of San Miguel de Salinas , just 10 kilometers from the Mediterranean Sea. The area is famous for its beautiful salt lakes and healthy microclimate: the perfect place to relax and enjoy the Mediterranean lifestyle.

After a day of work, a day at the beach or a visit to the vibrant Zenia Boulevard , Europe's largest open-air shopping center, Vistalago offers the ideal retreat.

The project comprises two modern buildings separated by a landscaped common area. A total of 56 elegant one-, two-, or three-bedroom apartments are being developed, each with a private terrace . Each apartment is designed with comfort, aesthetics, and energy efficiency in mind, and is equipped with the most advanced insulation and design materials and technologies.

The common area on the ground floor is the social heart of the complex: a pleasant meeting point for residents, surrounded by green gardens, seating areas, bicycle parking and a children's playground.

On the rooftop, residents can enjoy an exclusive 350 m² leisure area with a 70 m² swimming pool with a children's area, pergolas, parasols, and sun loungers : everything needed to relax under the Spanish sun while enjoying panoramic views. This area is easily accessible via one of the three elevators and is equipped with the necessary restroom facilities .

Vistalago combines modern architecture, comfort and a privileged location: a unique opportunity to live or invest in one of the most desirable areas of the Costa Blanca.

Don't miss this opportunity. Call us today for a free consultation. We'd be delighted to assist you and arrange your visit.
