The last home in a key-ready development of 15 luxury villas that sit in a beautiful part of La Cala Golf. The homes are situated close to the club house of La Cala Golf Resort, and only 10 minutes from the beaches between La Cala de Mijas and Fuengirola.

The luxury homes are finished to the highest standards using the finest quality materials, avant-garde design, neutral colours and large spaces. Floor-to-ceiling windows create a light filled home, crowned with a large solarium that covers the entire upper part of each villa.

The lower level/basements of all the villas can be adapted to the requirements of the owner and set up as a leisure room, gym or spa, or even the two additional bedrooms.

Each property has more than 300 m² built area, a private infinity pool, parking for two vehicles, and several terraces and a private garden. There are two remaining villas to choose from:-
