Located at the heart of the vibrant waterfront promenade, the Marina Collection at Elounda Hills presents a limited selection of just 24 exclusive branded residences, offering 2, 3, and 4-bedroom layouts across beautifully appointed homes. Each residence features sun-drenched interiors, spacious open-plan layouts, and uninterrupted views of the marina, beach club, and sparkling Aegean Sea.

Ranging from 157 to 270 sqm of internal living space and with generous terraces and gardens of up to 2,000 sqm, these residences blend elegance and comfort. Full-height windows, heated pools, and tranquil outdoor lounges allow for the seamless indoor-outdoor lifestyle that defines Mediterranean island living. Residents benefit from private parking with EV charging, 24-hour security, and full management by 1 Hotels & Homes, ensuring a resort-quality experience year-round. Sustainability is at the core, with buildings constructed in line with BREEAM and LEED standards.

Just steps from the upcoming Camper & Nicholsons-managed marina, and minutes from two international airports, the Marina Collection offers a unique combination of serenity, luxury, and global connectivity—perfect for a holiday retreat, full-time residence, or investment opportunity in one of Greece's most desirable coastal resorts.
