### Περιγραφή:

Located in a peaceful hamlet, between Chef-Boutonne and Sauze-Vaussais, this property comprises two houses, a large courtyard/garden, and numerous outbuildings, all enjoying open views over the countryside of the Deux-Sevres.

The first house, offering three bedrooms, is in good overall condition and ready to move into. The second house, with four bedrooms, offers great potential but requires refreshment works, allowing it to be adapted to suit your own plans.

This property represents an excellent opportunity to create a bed and breakfast or holiday gites. Thanks to the variety of surrounding regions and its natural setting, the area is particularly popular with road cycling enthusiasts, as well as visitors seeking peace, space, and authenticity.

A rare property offering numerous possibilities, ideal for a tourism project or a large family home, set in a calm and green environment.
