in the beautiful island of Alonissos, specifically in the area of Patitiri, a flat, buildable plot of land with a total surface area of 395 sq.m. is offered for sale.

The property features a 14-meter frontage and a 27-meter depth, making it particularly versatile for the development of a residence or an investment property. The flat terrain greatly facilitates construction, reducing both the cost and time required for building.

Patitiri is the central port and the heart of Alonissos, offering easy access to all essential services, restaurants, shops, and of course, the island's unique beaches. The area attracts visitors from all over the world, thanks to the natural beauty and authentic character that Alonissos has to offer.

A privileged property that combines comfort, prime location, and investment potential, ideal either for a permanent residence or for tourist exploitation.
