Περιγραφή:

We present a rare investment opportunity on Ilha Dourada. This plot of land, strategically located next to Zarco Shopping, is the ideal base for those looking to build their dream home or a high-yield real estate asset.

Property Highlights:

Ready to Go: The land includes a project, allowing you to skip bureaucratic steps and start building your dream home more quickly.

Generous Areas: With a total area of 403.50 m² and a footprint of 172.60 m², it offers enough space for a single-family home with a garden and leisure areas.

Premium Location: Located in a consolidated urban area that is constantly increasing in value, where the comfort of having everything at hand is a priority.

The Convenience of Living in the Center:

Lifestyle: Just 5 minutes from the iconic Porto Santo beach, allowing you to enjoy the sea and sun with daily ease.

Services on Foot: Close proximity to supermarkets, schools, pharmacies, and a wide range of restaurants.

Accessibility: Good road access and excellent urban surroundings.

Whether for your own home or for investment, this plot represents the security of a well-located asset on an island that is increasingly popular for tourism and residential purposes.

Don't miss this opportunity to build in Porto Santo with convenience and guaranteed appreciation.
