Περιγραφή:	Two Parking Spaces Jardins de São Lourenço Avenidas Novas

Two parking spaces available for rent together, located within the prestigious Jardins de São Lourenço development, on Rua Soeiro Pereira Gomes, in the heart of Avenidas Novas.

Situated in a reserved area of the garage, these two spaces are positioned side by side and enclosed by walls on three sides—an uncommon configuration that gives them characteristics very similar to a private box.

This arrangement provides a high level of privacy, significantly reduces the risk of minor damage from vehicle maneuvers or doors opening from other vehicles, and offers more convenient and secure daily use.

Located within a condominium with 24-hour security, they guarantee peace of mind, protection, and permanent convenience.

Given their location in Avenidas Novas and their distinctive features, they represent an excellent solution for residents or professionals working in the area, owners of high-value vehicles, larger vehicles, or collector cars, as well as for students attending nearby universities and educational institutions seeking a secure and permanent parking solution.
