We are pleased to present to you this wonderful bungalow, located in a prime position in Ciudad Quesada and reformed to a very high standard! Just a short walk away from the villa you can find the municipal swimming pool of Quesada which is free to use in the summer months, as well as a supermarket and bars and restaurants.

Built all on one level and on a charming and sunny corner plot, the house consists of a spacious living room with double glass patio doors, an open plan modern kitchen with a breakfast bar, three double bedrooms and a refurbished family bathroom. There is also a rear patio which is useful for storage and as a utility area.

Outside you have plenty of space for seating and relaxing / entertaining, off road parking for your car and a storage cupboard. The views from the garden and terrace are stunning, of the mountains and beyond, and to sit in your garden and watch the sunset is really a dream come true!
