Fažana, building land 2,580 m², near the sea and the beach

In a quiet location in Fažana, close to the sea, the beach, and the town center, a 2,580 m² building plot is for sale.

Key advantages of the plot:

Excellent location – near Fažana promenade and all amenities

Rectangular shape

Opportunity to create your own project – the plot has no defined project, allowing the buyer to design the property according to their wishes and needs

Suitable for building an apartment building or multiple family houses

Note:

Access road issue needs to be resolved with neighbors

Closest utility connections (electricity, water, sewer) are approximately 30 meters away

Fažana is one of the most attractive places in Istria, located by the crystal-clear sea and offering a beautiful view of Brijuni National Park. Proximity to Pula, excellent transport connections, and rich cultural offerings make this area a perfect choice for investment or building your own home.

Currently, very few building plots are available in Fažana, making this a rare opportunity to realize your own project in a sought-after location!
