Περιγραφή:	

Located in the heart of Ferragudo, this 277m² townhouse ruin offers an excellent opportunity to create a spacious two-storey residence in one of the Algarves most sought-after villages.

With a generous footprint and strong structural potential, the property allows for a full renovation approved project, including the possibility of multiple bedrooms, open-plan living areas, a study, and a private outdoor space or rooftop terrace.

Just steps from the village square, waterfront, restaurants, and beaches, this is a rare investment opportunity to restore and transform a character property in a prime central location.

Fine & Country Algarve is part of the international network of F&C offices in over 300 locations worldwide, we have four offices in the Algarve covering the whole region from east to west. We also work closely with the Fine & Country offices elsewhere in Portugal and internationally.
