Περιγραφή:

This amazing piece of land is 26 Rai, approximately a 15 minute drive South West of Hua Hin town and only 10 minutes to Pranburi, the land is elevated and has beautiful views West across to the mountains of Burma and also affords magnificent Sunsets, the plot is fully walled and has a man made lake. The owner will sell the full 26 Rai or you can split and purchase 13 Rai. This land has lots of options, a large countryside Villa with land, an out of town resort among other things. We can introduce you to a very reputable European builder if you wanted to develop the land. The land is priced at 1,300,000 Per Rai. ***Please ask for more information or to arrange a viewing***
