Περιγραφή:	

These villas have been designed with natural living in mind. From the spacious, sunny, garden overlooking the golf resort, you can enjoy the beauty of the surrounding nature in peace and quiet. Thanks to the large glass windows, you can also enjoy the view throughout the villa. The partial natural stone walls give them a distinctive and warm character and help them to blend in with the mountain landscape behind them. Another characteristic feature of these houses is the efficient use of the available space according to Nordic standards. The result is large spaces and ample space for cabinets. In addition, the unique construction system guarantees very high energy efficiency and optimal insulation (cold and heat) of your home.
