Περιγραφή:

Estate located in an area of high demand, which combines total privacy with a strategic location: just 6 km from Muda, 13 km from Grândola and the village of Melides, and about 16 km from the beaches of the Alentejo coast.

The property has a house with 71 m², dating from 1949, with potential for recovery and expansion up to 500 m², also allowing the construction of a swimming pool up to 50 m².

It also has an Agricultural Dependency of 60 m², with the possibility of expansion up to 8,000 m², offering enormous potential for agricultural, tourism or leisure projects.

With a total area of 80 hectares, the estate includes excellent quality cork oak forests, including 8 Amadia cork harvests, with an average annual production of around 2,000 arrobas. The land also benefits from stone pine forest scattered throughout the property.

A water line runs through the edge of the estate, and there is mains electricity nearby.
