Detached house with approved plans - Ready to build

We present this detached house with approved plans and building permit, ready to start construction, set on a 323 m² plot.

The property has a ground floor plus one upper floor, taking advantage of the uneven terrain, which gives it the appearance of a single-storey house when viewed from the street. The main entrance is located on the ground floor, ensuring comfort and accessibility.

Main features:

- Gross private area: 109 m²
- Upper floor: Kitchen, living room, three bedrooms and one bathroom
- Lower floor: Completely open space

Advantages of the project:

- Excellent use of sloping land
- Clear separation between social area (upper floor) and technical area (basement)
- Larger usable area without increasing the visible volume
