Περιγραφή:	LA QUINTA - HERROJO ALTO - VILLA - 8 BED 9 BATH

Perched atop Herrojo Alto with sweeping panoramic views, this property is a true architectural masterpiece.

As you drive through the lush, winding roads of the gated community, you arrive at the spacious driveway. The modern exterior blends seamlessly with natural materials, setting the tone for what's inside. The entrance is bright and inviting, offering an immediate glimpse through floor-to-ceiling windows that frame the stunning landscape beyond.

The main living area features a cozy lounge with a fireplace, elegantly separating it from the large dining area and state-of-the-art kitchen. The kitchen connects to an outdoor cooking space, perfect for al fresco dining and entertaining. This level also includes two guest bedrooms, both en-suite. Upstairs, you'll find three en-suite bedrooms, including an impressive 70 m² master suite with a walk-in closet, luxurious bathroom, and a private terrace complete with a jacuzzi.

The lower level spans nearly 800 m² and offers the same breathtaking views through expansive windows. Designed for both relaxation and entertainment, it includes multiple lounges, a playroom, cinema, gym, and a full indoor spa with pool and jacuzzi. There's also a home office, garage for up to eight cars, and three additional en-suite bedrooms—one with a private entrance and kitchenette, ideal for staff or guests.

This is more than a home—it's a statement of luxury and design excellence.
